When you come to the 5th grade you will need to be prepared. You need to pay attention in class at all times, and never give up. In the 5th grade things will move very fast so be sure to keep up the best you can. You will also need to be here on time and everyday, not only do that in the 5th grade, but you should be doing that in all grades. As you can see, 5th grade is not an easy grade.
