Abraham Lincoln was a successful lawyer for 25 years prior to his political career.

Although he never went to law school, he studied under an established lawyer as an apprentice until he obtained his certificate of good moral character. Lincoln's lack of schooling, however, was not an impediment. He had a great respect for the

law, a keen client-centered business sense and a gift for storyteller. In short, he was a world-class solutionist who was a true believer in his clients and their causes. His simple approach to problem solving included a combination of diligence, organization, and attention to detail. Lincoln was a street-lawyer. One day he

important and exciting change is the reemphasis of the solo practitioner. The rugged soul who would hang out a shingle against all odds is the real beneficiary of the revolution currently going on in the business of law. To be a lawyer is more about client service than ever before. If you learn to live by the very real truism of

pretty "cushy" and mostly entailed wearing leggings every day to her classes at Berkeley and playing beer pong with her friends at night. The hardest part was imagining what it would be like to actually be a lawyer one day. But then she'd think of Glenn Close on Damages and Reese Witherspoon in Legally Blonde, and
