In the first volume of her landmark philosophical work, The Origins of Totalitarianism, the political theorist traces the rise of antisemitism in Europe. Since it was first published in 1951, The Origins of Totalitarianism has been recognized as the definitive philosophical account of the totalitarian mindset. A probing analysis of Nazism, Stalinism, and the " banality of evil " , it remains one of the most referenced works in studies and discussions of totalitarian movements around the world. In this first volume, Antisemitism, Dr. Hannah Arendt traces the rise of antisemitism to Central and Western European Jewish history during the 19th century. With the appearance of the first political activity by antisemitic parties in the 1870s and 1880s, Arendt states, the machinery that led to the horrors of the Holocaust was set in motion. The Dreyfus Affair, in Arendt ' s view, was " a kind of dress rehearsal " —the first modern use of antisemitism as an instrument of public policy and of hysteria as a political weapon. " The most original and profound—therefore the most valuable—political theorist of our times. " —Dwight MacDonald, The New Leader

Depending on whom you ask, the term Christian counseling can mean anything from secular psychology practiced by a Christian to biblical counseling that completely shuns psychological insights. Christ-Centered Therapy thoroughly integrates psychology and practical theology. A book written by experts from both fields, it utilizes the contributions of science in an uncompromisingly biblical framework. Here at last is a powerful resource to help you—pastor, counselor, or spiritual adviser—understand the complex problems of people and address them with the wisdom of God ' s Word and the power of his Spirit. Insightful and practical, Christ-Centered Therapy unites the wisdom and expertise of pastoral theologian and best-selling author Dr. Neil Anderson and professional Christian counselors Dr. Terry and Julianne Zuehke. The first part of the book equips you with an understanding of the different issues involved in integrating theology and psychology. The second part helps you turn theory into practical application. You ' ll also find appendixes that offer personal testimonies, provide professional forms, discuss the role of psychiatry in managed care, and present the Steps to Freedom in Christ.

In Christ and the Decree, one of the foremost scholars of Calvinism today expounds the doctrines of Christ and predestination as they were developed by Calvin, Bullinger, Musculus, Vermigli, Beza, Ursinus, Zanchi, Polanus, and Perkins. Muller analyzes the relationship of these two doctrines to each other and to the soteriological structure of the system. Back by demand, this seminal work on the relationship between Calvin and the Calvinists is once again available with a new contextualizing preface by the author. It offers a succinct introduction to the early development of Calvinism/Reformation thought.

This work decodes the key themes, signs and symbols found in Christian art - the Eucharist, the Crucifixion, the Virgin Mary. It also explores the theological and historical background of Christian imagery, from the devotional works of the medieval and Renaissance periods, to the 21st century.

Focuses on the New Testament to present Jesus as a spiritual figure and literary character with ties that span from the creation to the end of time.

The first twelve books in the popular Christy Miller series are now available in four treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she ' ll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy ' s high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she ' ll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a " peculiar treasure. " Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you ' re meeting her for the first time or have known her for years— Christy is a Forever Friend Surprise Endings Cheerleading tryouts are coming up, and Christy Miller is giving it all she ' s got. The competition is tough and some of the girls are just rude, but Christy thinks she has a good chance to make the squad. Meanwhile prom is just around the corner, and Christy hopes her parents will make an exception to their " no dating until sixteen " rule. She ' d love to go with Todd to his prom! But nothing turns out as Christy had planned. As the surprises keep coming, can Christy respond with grace...and maybe even spring a surprise of her own? Island Dreamer Christy Miller is spending her sixteenth birthday on Maui with her family, Todd, and Paula, her best friend from Wisconsin! What could be better? But Christy soon finds that she and Paula don ' t have as much in common anymore. Paula ' s obsessed with having a boyfriend...even if it means stealing Todd from Christy! Will he choose Paula over her? Or will the islands send Christy dreaming in new directions? A Heart Full of Hope Christy Miller is sixteen, and that means she can finally date! Rick has waited months for this, and he has a whole list of dates planned. He ' s not happy about her early curfews and weekend job, but Christy knows her parents aren ' t about to negotiate on those points. Really, she ' s dazzled to be pursued by such a thoughtful guy. So why does she feel overwhelmed? Where does Todd fit into her life now? And can any guy really fulfill all her hopes? Story Behind the Book " The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I ' d been questioning the content of their favorite books when they said, " Why don ' t you write a book for us? " I told them no. I only wrote picture books. But they persisted: " How hard could it be? We ' ll even tell you what to write! We want a love story with teenagers at the beach. " And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that! " —Robin Jones Gunn
