Indian Airlines Flight 814, commonly known as IC 814, was an Indian Airlines Airbus A300 en route from Tribhuvan International Airport in Kathmandu, Nepal to Indira Gandhi International Airport in Delhi, India on Friday, 24 December 1999, when it was hijacked and flown to several locations before landing in Kandahar, Afghanistan.

What was the intelegence failure that led to the hijacking of Indian Airlines Flight IC814 from Kathmandu? Could the aircraft have been stopped at Amritsar airport? Was a commando raid planned on the aircraft? How was Rupin Katyal killed? Was the plane's destination always intended to be Kandahar? Was it merely prophetic that the hijackers had predicted the end of all negotiations on the millennium eve? These and other questions are answered in this blow-by-blow eyewitness account by Flight Engineer Anil K Jaggia who breaks the silence around the hijacking, with investigative reporting by senior correspondent Saurabh Shukla of The Indian Express

What was the intelligence failure that led to the hijacking of Indian Airlines ' flight IC-814 from Kathmandu on 24 December 1999? Could the aircraft have been stopped at Amritsar airport? Was a commando raid planned on the aircraft? How was Rupin Katyal killed? Was the plane ' s destination always intended to be Kandahar? Was it merely prophetic that the hijackers had predicted the end of all negotiations on the millennium eve? These and other questions are answered in this blow-by-blow eyewitness account by Flt. Engineer Anil K. Jaggia, who breaks the silence around the hijacking with investigative journalist Saurabh Shukla of the Indian Express.

The Captain's account brings to vivid life the horror of seven days inside the hijacked IC 814, on its way from Kathmandu to Delhi. Nearly 188 passengers and crew were pushed beyond the limits of normal human endurance and forced to confront situations they had never imagined: bloodshed, starvation and the crippling uncertainty of living under the constant threat of death.

Fortitude in the face of adversity that s what courage is all about. The hijack drama of IC 814 en route from Kathmandu to New Delhi on 24 December 1999, is one such eight-day tale of trauma, anguish and fear in the throes of death where five hijackers

Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police ' s own nemesis.The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia ' s nefarious role in Bollywood, Dawood ' s move to Karachi, and Pakistan ' s subsequent alleged role in sheltering one of the most wanted persons in the world.This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia ' s games of supremacy and internecine warfare.

Srinagar in the winter of 1989 was an eerie ghost town witnessing the beginnings of a war dance. The dam burst the night boys from the separatist JKLF group were freed in exchange for the release of Rubaiya Sayeed, the Union home minister's daughter. As Farooq Abdullah had predicted, the government's caving in emboldened many Kashmiris into thinking that azaadi was possible. It was a long, slow haul to regaining control. From then to now, A.S. Dulat has had a continuous engagement with Kashmir in various capacities. The initiatives launched by the Vajpayee government, in power from 1998 to 2004, were the high point of this constant effort to keep balance in a delicate state. In this extraordinary memoir, Dulat gives a sweeping account of the difficulties, successes and near triumphs in the effort to bring back Kashmir from the brink. He shows the players, the politics, the strategies and the true intent and sheer ruthlessness of the meddlers from across the border. Kashmir: The Vajpayee Years paints an unforgettable portrait of politics in India's most beautiful but troubled state.

This book features high-quality papers presented at the International Conference on Computational Intelligence and Communication Technology (CICT 2019) organized by ABES Engineering College, Ghaziabad, India, and held from February 22 to 23, 2019. It includes the latest advances and research findings in fields of computational science and communication such as communication & networking, web & informatics, hardware and software designs, distributed & parallel processing, advanced software engineering, advanced database management systems and bioinformatics. As such, it is of interest to research scholars, students, and engineers around the globe.
