Kingship And Law In The Middle Ages : Kern Fritz : Free ... The symbolic representation of the present, and the construction of the past, were ways in which kings attempted to involve contemporaries in shaping the future: as such they were essential elements in royal government. ... K.J. (1984), ' Early medieval canon law and the beginnings of knighthood ', in Fenske, L., Rösener, W. and Zotz, T ...

Kingship and royal government (Chapter 15) - The New ... Kings such as Alfred the Great (reigned 871-99) extended the law codes by codifying community custom, administrative regulations and ancient law. Successive kings preserved and adapted the body of English laws which had been accepted by the community and which past kings had published, and case law supplemented these law codes.

Indigenous kinship | Australians Together

In theory a medieval king was God's representative on Earth, and in some nations kings were literally above the law. In practice, the power of the king was limited by feudal nobles and influential churchmen. A new king had to swear an oath to fulfill the responsibilities of a monarch. The details of this oath varied from one land to another, but included the responsibility to keep the peace, to administer justice and to uphold the law.
