Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In *Like Dreamers*, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring

Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel's destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel's future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, *Like Dreamers* is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Winner, Jewish Book Council's Everett Family foundation award, Jewish Book of the Year Winner, American Library Association's Sophie Brody Medal for Best Jewish Book of the Year Editors' Choice, New York Times Book Review In restoring Jewish sovereignty to the Holy City during 1967's Six-Day War, the paratroopers of Reserve Brigade 55 fulfilled a dream of two millennia, forever changing the history of Israel and of the Middle East. And, as veteran journalist Yossi Klein Halevi compellingly reveals in *Like Dreamers*, they served pivotal roles in shaping Israel's destiny long after their resounding military success. As he follows the lives of this Israeli band of brothers, and charts the ideological divides among them, he weaves an epic chronicle of modern Israel that humanizes the country's political and cultural dilemmas, and offers an unprecedented glimpse into its soul.

empty-handed. From the author-illustrator of *Bright Star*, *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own *Dreamers* becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! unforgettable story of a young Cameroonian couple making a new life in New York just as the Great Recession upends the economy

New York Times Bestseller □ Winner of the PEN/Faulkner Award □ Longlisted for the PEN/Open Book Award □ An ALA Notable Book NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR □ The New York Times Book Review □ San Francisco Chronicle □ The Guardian □ St. Louis Post-Dispatch □ Chicago Public Library □ BookPage □ Refinery29 □ Kirkus Reviews

Jende Jonga, a Cameroonian immigrant living in Harlem, has come to the United States to provide a better life for himself, his wife, Neni, and their six-year-old son. In the fall of 2007, Jende can hardly believe his luck when he lands a job as a chauffeur for Clark Edwards, a senior executive at Lehman Brothers. Clark demands punctuality, discretion, and loyalty—and Jende is eager to please. Clark's wife, Cindy, even offers Neni temporary work at the Edwardses' summer home in the Hamptons. With these opportunities, Jende and Neni can at last gain a foothold in America and imagine a brighter future. However, the world of great power and privilege conceals troubling secrets, and soon Jende and Neni notice cracks in their employers' façades. When the financial world is rocked by the collapse of Lehman Brothers, the Jongas are desperate to keep Jende's job—even as their marriage threatens to fall apart. As all four lives are dramatically upended, Jende and Neni are forced to make an impossible choice.

2007–2008, but it's surely one of the best. . . . It's a novel that depicts a country both blessed and doomed, on top of the world, but always at risk of losing its balance. It is, in other words, quintessentially American. NPR "This story is one that needs to be told." Bust "Behold the Dreamers challenges us all to consider what it takes to make us genuinely content, and how long is too long to live with our dreams deferred." O: The Oprah Magazine "[A] beautiful, empathetic novel." The Boston Globe "A witty, compassionate, swiftly paced novel that takes on race, immigration, family and the dangers of capitalist excess." St. Louis Post-Dispatch "Mbue [is] a deft, often lyrical observer. . . . [Her] meticulous storytelling announces a writer in command of her gifts." Minneapolis Star Tribune

A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel "Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history." The Washington Post Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother's withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a

As nourishing as a three-course Italian feast, this is a fierce, moving tribute to the ties that bind. People (Book of the Week) The #1 New York Times bestselling author of Sleepers offers a heartfelt homage to the women who taught him courage, kindness, and the power of storytelling: his mother, his grandmother, and his late wife. Standing with his children near his grandmother's grave on a recent trip to Ischia, an island off the coast of Naples, Lorenzo Carcaterra realized how much of his life has been shaped by the women who taught him how to look for joy and overcome sorrow. This book is his tribute to them. Nonna Maria, his grandmother, gave him his first taste of a loving home during the summers he spent with her as a teenager on Ischia. With her kindness, her humor, and the same formidable strength she employed to make secret trips for food when the Nazis occupied Ischia during World War II, she instilled in him the importance of community, providing shelter for a boy whose home life was difficult. His mother, Raffaella, dealt with daily hardships: a loveless and abusive marriage, the burden of debt, and a life of dread. Though the lessons she taught were harsh, they would drive Lorenzo from the world they shared to the better one she always prayed he would find. The third woman is his wife, Susan, a gifted editor and his professional champion. Their marriage lasted three decades before her death from lung cancer in 2013. While their upbringings were wildly different, their love and friendship never wavered—and neither did her faith in Lorenzo's talent and potential as a writer.

“A fresh and vital new voice in romance.” *Entertainment Weekly*  
From award-winning author Adriana Herrera comes a novel hailed as one of *Entertainment Weekly*’s 10 Best Romance Novels of 2019 and a TODAY Show Hot Summer Read. No one ever said big dreams come easy. For Nesto Vasquez, moving his Afro-Caribbean food truck from New York City to the wilds of Upstate New York is a huge gamble. If it works? He’ll be a big fish in a little pond. If it doesn’t? He’ll have to give up the hustle and return to the day job he hates. He’s got six months to make it happen—the last thing he needs is a distraction. Jude Fuller is proud of the life he’s built on the banks of Cayuga Lake. He has a job he loves and good friends. It’s safe. It’s quiet. And it’s damn lonely. Until he tries Ithaca’s most-talked-about new lunch spot and works up the courage to flirt with the handsome owner. Soon he can’t get enough—of Nesto’s food or of Nesto. For the first time in his life, Jude can finally taste the kind of happiness that’s always been just out of reach. An opportunity too good to pass up could mean a way to stay together and an incredible future for them both...if Nesto can remember happiness isn’t always measured by business success. And if Jude can overcome his past and trust his man will never let him down.
