...

In the p5.js web editor you should find the following code: `function setup() {  
 createCanvas(400, 400);  
}  
function draw() {  
 background(220);  
}` After `background(220);` include this line of code:

# Download Ebook Make Getting Started With P5 Js

`ellipse(50,50,80,80);`. Now your code should be like this: Code snippet with ellipse.

~~get started | p5.js~~  
p5.js is for writing software to make images, animations, and interactions. The idea is to write a single line of code, and have a circle show up on the screen. Add a few more lines of code, and the circle follows the mouse. Another line of code, and the circle changes color when the mouse is pressed.
