Online Library

Representing India Ethnic

This is a study of how ethnic diversity is represented in public institutions in India, and of the politics and policy solutions devised to manage ethnic inequalities. With new data on representational patterns in parliament and cabinet, it provides an account of representation that encompasses the

Online Library

Representing India Ethnic

Diversity of caste, tribe and religion. Emphasising the overlapping nature of social and economic inequalities in India, it seeks to place the issue of material disadvantage at the very heart of the debate on ethnic and cultural inequality.

This Companion provides an authoritative overview of how cultural

Online Library

Representing India Ethnic

Diversity is managed in Asia. Although the Asian context appears at first sight to be irreconcilably divergent in terms of diversity management approaches, the contributing authors seek to explore thematic and geographical demarcations of the notions of cultural diversity and equality at work.

Online Library

Representing India Ethnic

Managing Cultural Diversity in Asia not only examines cultural diversity management in a particular geography but also makes a distinct contribution to the wider theory of managing diversity and equality by revealing the significance of context, time and place in framing policies and practices of

Online Library

Representing India Ethnic

management. With empirical and conceptual contributions from eminent scholars from across the Asian continent as well as the Asian diaspora, this volume highlights practices of equality and diversity management in settings across Asia and reveals the key drivers and

Online Library

Representing India Ethnic

implications of such practices. This important and path-breaking Companion will be an invaluable resource for both undergraduate and research-based postgraduate students on international and comparative human resource management, employment relations and industrial

further developing the theoretical framework. One of the first major volumes on federalism in India, including studies from across the nation, this book will be indispensable for students and scholars of political science, sociology, history and South Asian studies.

Online Library

Representing India Ethnic Diversity And The

This book examines inclusive growth in a range of social and economic areas in India, including physical infrastructure, vulnerable sections of the population and underdeveloped states. It provides a comprehensive study of disparity and deepens insight

Online Library

Representing India Ethnic

into understanding processes of economic and social development.

In Diversity and Unity in Federal Countries, leading scholars and practitioners analyse the current political, socio-economic, spatial, and cultural diversity in the countries under

Online Library

Representing India Ethnic

Consideration before delving into the role that social, historical, and political factors have had in shaping the balance of diversity and unity. The authors assess the value placed on diversity by examining whether present institutional arrangements and public policies restrict or enhance

Online Library

Representing India Ethnic

Diversity and address the future challenges of balancing diversity and unity in an increasingly populated and mobile world.

Inequality And Public

In recent years the concept of 'diversity' has gained a leading place in academic thought, business practice

Online Library

Representing India Ethnic

and public policy worldwide. Although variously used, 'diversity' tends to refer to patterns of social difference in terms of certain key categories. Today the foremost categories shaping discourses and policies of diversity include race, ethnicity, religion, gender, disability, sexuality and age;

Online Library

Representing India Ethnic

Further important notions include class, language, locality, lifestyle and legal status. The Routledge Handbook of Diversity Studies will examine a range of such concepts along with historical and contemporary cases concerning social and political dynamics surrounding them. With contributions

Online Library

Representing India Ethnic

by experts spanning Sociology, Anthropology, Political Science, History and Geography, the Handbook will be a key resource for students, social scientists and professionals. It will represent a landmark volume within a field that has become, and will continue to be, one of the most

Online Library

Representing India Ethnic

Significant global topics of concern throughout the twenty-first century.

This book traces the trajectory of the Indian Parliament from its formation to present day. The essays presented here explore parliamentary democracy through the formative years and

Online Library

Representing India Ethnic

highlight the Parliament's function as a representative and accountable institution, its procedures and responsibility, its connection with the other arms of the state, its relationship with grassroots democracy and the press, and its critical role in framing foreign policy and national security.

Online Library

Representing India Ethnic

The volume frames major debates surrounding the Parliament through historical, conceptual and contemporary political perspectives. It also looks at how politics in practice is being continuously changed and challenged by new social media and further views the transformation of

Online Library

Representing India Ethnic

India's apex legislative institution in terms of democratizing processes, constitutional values and changing mores. The book will be of great interest to scholars and researchers of Indian politics, history, comparative politics, political science and modern India.

Online Library

Representing India Ethnic Diversity And The

Ten years after the end of the war in Bosnia, ethnicity continues to matter and the country remains dependent on international intervention. The Dayton Peace Accord signed in 1995 successfully ended the war, but froze the ethnic conflict in one of the most

Online Library

Representing India Ethnic

complex systems of government in the world. The book provides an in-depth analysis of governance in this divided post-war country, providing important lessons for international intervention elsewhere around the world, from Afghanistan to Iraq.
