If the Urantia Book in its entirety is considered to be an epochal revelation for future ages, then the teachings contained in "The Adventure of Being Human" can be viewed as incremental lessons for human beings living today. The admonitions against pride and arrogance, in favor of self-forgetfulness, are certainly most timely.

"The Adventure of Being Human" is a must read for those who crave this need to be filled by our Creator and Mother Spirit who validate our human experience from a variety of perspectives. The intimacy that is created by knowing I am seen, heard, and gently held is invaluable and my quiet time with each has been forever enhanced.

Amazon.com: Customer reviews: The Adventure of Being Human ...

'Adventures in Human Being' are a collection of interesting vignettes about the human body by a practicing physician. In eighteen chapters Gavin Francis takes us on a journey from our heads to our feet, explaining through a representative case history of an actual patient how a body organ or system works, adding to the story the often fanciful and metaphysical guesses of physicians in earlier civilizations.

Adventures in Human Being: A Grand Tour from the Cranium ...

[little side note here- I wanted a blog name with the words 'adventure' and 'human' in- this came up, I took it, and I now realised after some research The Adventure of Being Human is actually a published work about The Urantia Book (a spiritual and philosophical book that originated in Chicago sometime between 1924 and 1955).
