Carlos Fr í as, an award-winning journalist and the American-born son of Cuban exiles, grew up hearing about his parents' homeland only in parables. Their Cuba, the one they left behind four decades ago, was ethereal. It existed, for him, only in their anecdotes, and in the family that remained in Cuba -- merely ghosts on the other end of a telephone. Until Fidel Castro fell ill. Sent to Cuba by his newspaper as the country began closing to foreign journalists in August 2006, Fr í as begins the secret journey of a lifetime -- twelve days in the land of his parents. That experience led to this evocative, spectacular, and unforgettable memoir. Take Me With You is written through the unique eyes of a first-generation Cuban-American seeing the forbidden country of his ancestry for the first time. Take Me With You provides a fresh view of Cuba, devoid of overt political commentary, focusing instead on the gritty, tangible lives of the people living in Castro's Cuba. Fr í as takes in the island nation of today and attempts to reconstruct what the past was like for his parents, retracing their footsteps, searching for his roots, and discovering his history. The book creates lasting and unexpected ripples within his family on both sides of the Florida Straits -- and on the author himself.

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Now a global bestseller, the remarkable life of Rigoberta Mench ú , a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Mench ú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Mench ú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

Jesus gave his followers a command: " Follow me. " And a promise: " And I will equip you to find others to follow me. " We were made to make disciples. Designed for use in discipleship relationships and other focused settings, Multiply will equip you to carry out Jesus ´ s ministry. Each of the twenty-four sessions in the book corresponds with an online video at www.multiplymovement.com, where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply. One plus one plus one. Every copy of Multiply is designed to do what Jesus did: make disciples who make disciples... Until the world knows the truth of Jesus Christ.
