The Students' Basic Grammar of Spanish (SBG) is a self-study grammar book for students at Common European Framework of Reference (CEFR) levels A1-B1. It tackles the traditionally difficult grammatical problems faced by students of Spanish through clear, straightforward explanations,accompanied by a variety of engaging, accessible and practical exercises.Designed as a self-study book for students, the SBGS can be used outside the classroom, or as a study aid for a language course. It can also be used at levels above B1.It offers clear, precise and thorough explanations expressed in plain language.It contains over 470 illustrations that make it easier to understand the grammar points covered.It provides more than 370 exercises to help learners understand and assimilate the grammar presented and avoid common mistakes.It offers helpful examples of real, communicative Spanish and contains a wide range of text types.It also includes:An answer keyRegular and irregular conjugated verbsA complete and easy-to-use thematic index

**Edelsa Editorial Espa ñ ol Lengua Extranjera Ele**

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner's Spanish will be an essential aid in passing the supreme language test—communicating fluently with native speakers.
