An illustrated, comprehensive guide to surviving an attack by hordes of the predatory undead explains zombie physiology and behavior, the most effective weaponry and defense strategies, how to outfit one's home for a long siege, and how to survive in any territory or terrain. Original. 35,000 first printing.

February, 2031: The global population now stands at an estimated 400 million, and every survivor bears the scars of humanity's decade-long struggle to defeat an enemy few believed could exist. Some nations have emerged from the war stronger than ever. Others still struggle to survive. Some no longer exist at all. In the aftermath of the zombie pandemic Keith Taylor, noted pre-war author of apocalyptic fiction, traveled the world to gather the first hand accounts of survivors from every walk of life, culture and strata of society, ranging from American political leaders to British journalists to Mongolian miners to members of India's homeless underclass. Together these chilling interviews describe the course of humanity's most brutal war, leading from the initial emergence of the virus in the Siberian wilderness to the visceral, heart-rending Shibuya footage, through the confusion of the US President's impeachment to the unintended and disastrous consequences of the UN's sweeping refugee amendment, and ending with us battered and broken, diminished but not defeated, in the fragile peace we now enjoy. Together these accounts represent the most illuminating and complete commentary to date of humanity's loss. From these candid interviews emerges an image of early 21st century civilization as it truly was: imperfect, fragmented and wholly unprepared for a disaster on such a scale. This is the Way the World Ends takes an unflinching, uncompromising look at the world we had and lost; a look at the pain we suffered due to our inability to accept a single, simple truth: Zombies are real. Note: Readers who lived through the pandemic may find the interviews contained

within this collection distressing. Discretion is advised.

This fictionalized account of the first African-American regiment, called the Harlem Hellfighters by their enemies, to fight in World War I relates the heroic journey these soldiers undertook for a chance to fight for America. Original. 150,000 first printing.

Offers zombie survival skills and an account of the conflict between humankind and hordes of the predatory undead, told from the survivors perspective.

NEW YORK TIMES BESTSELLER • The #1 New York Times bestselling author of *World War Z* is back with “the Bigfoot thriller you didn’t know you needed in your life, and one of the greatest horror novels I’ve ever read” (Blake Crouch, author of *Dark Matter* and *Recursion*). **FINALIST FOR THE LOCUS AWARD** As the ash and chaos from Mount Rainier’s eruption swirled and finally settled, the story of the Greenloop massacre has passed unnoticed, unexamined . . . until now. The journals of resident Kate Holland, recovered from the town’s bloody wreckage, capture a tale too harrowing—and too earth-shattering in its implications—to be forgotten. In these pages, Max Brooks brings Kate’s extraordinary account to light for the first time, faithfully reproducing her words alongside his own extensive investigations into the massacre and the legendary beasts behind it. Kate’s is a tale of unexpected strength and resilience, of humanity’s defiance in the face of a terrible predator’s gaze, and, inevitably, of savagery and death. Yet it is also far more than that. Because if what Kate Holland saw in those days is real, then we must accept the impossible. We must accept that the creature known as Bigfoot walks among us—and that it is a beast of terrible strength and ferocity. Part survival narrative, part bloody horror tale, part scientific journey into the boundaries

between truth and fiction, this is a Bigfoot story as only Max Brooks could chronicle it—and like none you’ve ever read before. Praise for *Devolution* “Delightful . . . [A] tale of supernatural mayhem that fans of King and Crichton alike will enjoy.”—Kirkus Reviews (starred review) “The story is told in such a compelling manner that horror fans will want to believe and, perhaps, take the warning to heart.”—Booklist (starred review)
